children's books about terminal illness

There is something to learn from every experience.*

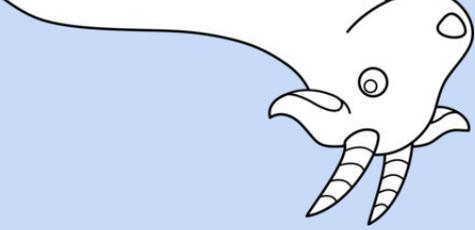

- “What do I know now that I didn’t know before?”
- *the acquisition of knowledge or skills through experience, study, or by being taught*

Learning is a process...

- Context is key!
- Test yourself
- Teach someone

waiting for an angular promise

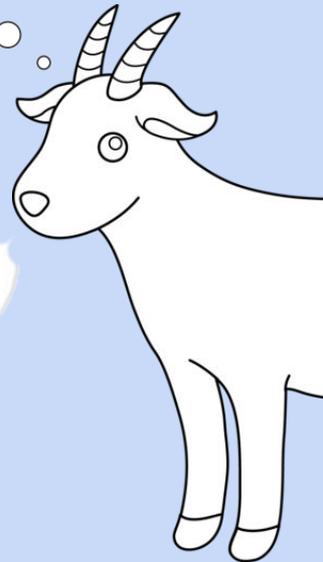

Failure provides context. Discomfort provides a catalyst.

- Opportunities to gain deeper understanding of moving parts
- Makes knowledge less more robust
- Feedback
